Statement of Interest

I am a lifelong resident of Santa Cruz County, living in Felton. I have served as a Commissioner on LAFCO since September, 2006. During this time, I have held the position of Chair, Vice Chair and served on both the personnel and budget committees.

I am 1 of 2 special district members representing the 20 independent special districts. I come from the Felton Fire District where I started my career in 1976 as a firefighter and captain for 26 years, then joining the Felton Fire Board in 1999.

In addition to the public sector, my 42-year professional career includes the position of Senior Technical Manager in the telecommunications industry. I retired in October 2015 from my professional career and to date continue my pursuit as a public servant in Santa Cruz County. As with many local government boards, members are always challenged to learn new things and LAFCO is no exception.

I find the many different issues dealt with make it a very interesting and rewarding endeavor of which I enjoy. I have had the pleasure to champion various successful boundary changes over the years as a LAFCO commissioner, including but not limited to, the recent fire consolidation between Central Fire and Aptos/LaSelva Fire Protection Districts as well as the Scotts Valley Fire/Branciforte Fire Consolidation. The purpose of these consolidations is to facilitate the efficient delivery of fire protection to the communities within the affected territories. These consolidations will preserve the current levels of service, maintain local expectations and continue the existing funding sources.

I look forward to supporting all of the 20 independent special districts as the Special District Representative on the LAFCO Board.

Respectfully,

Jim Anderson

STATEMENT OF INTEREST:

You may attach a separate sheet to present additional qualifications or a statement of interest in serving on LAFCO.

Our county is at a critical juncture as we face a number of challenges. Climate change continues to stress our emergency response capabilities, particularly as fire departments strive to maintain economic strength while ensuring safe and effective service amidst rising equipment and resource costs. Compounding this is the increasing pressure on our clean water supply due to prolonged drought and factors affecting water quality. Additionally, the state's mandate to significantly expand housing development over the next eight years—through county and city Housing Elements—will place additional demands on special districts, emergency services, and our natural resources. I am eager to leverage my collaborative skills and experience to work with stakeholders across the county to address these pressing issues.

Currently, I serve on the Central Fire District Board of Directors, an honor that carries personal significance as my grandfather, John A. Gilman, was one of only nine civilian firefighters awarded the Purple Heart for his service in Oahu during the bombing of Pearl Harbor. Moreover, my mother committed decades to volunteering with our local fire auxiliary. I have been a certified NOLS Wilderness Medicine first responder since 2007.

Having spent my formative years in the fire-prone Sierra Nevada Foothills of California, I developed an understanding of the importance of creating defensible spaces and being fire-ready as well as understanding proper installment and care of wells on our property. As a nearly 30-year resident of Santa Cruz County—over a decade in rural areas like Boulder Creek and Happy Valley—I recognize the critical need for community collaboration to mitigate and respond to challenges and disasters and ensuring critical services, including fire prevention, water, and waste management.

As a scientist, woman of color, and educator, I bring a history of facilitating informed and equitable decision-making. I understand the importance of addressing a myriad of complex issues such as agricultural land preservation, population growth, land use, fire protection, water and waste management, and other important considerations which impact our local community members and natural resources. My academic background includes a Master of Science, equipping me with extensive research and analytical experience.

I am committed to contributing my skills and experiences to help our county navigate the challenges ahead. I kindly request your vote in support of my appointment as a LAFCO Commissioner. Thank you for consideration.

Local Agency Formation Commission (LAFCO)
701 Ocean Street, Room 318-D,
Santa Cruz, CA 95060

Dear Members of the Local Agency Formation Commission,

I am writing to express my interest in serving on the LAFCO Board and to highlight the unique qualifications I bring to this position. As a member of the Board of Directors for the Pajaro Valley Health Care District (PVHCD) since its inception in March 2022, I have been deeply involved in addressing the critical challenges facing health care providers and delivery systems, particularly in underserved communities like the Pajaro Valley. It is essential for the PVHCD, which was formed in 2022 through special legislation, to have a voice at the table as LAFCO continues its important work.

My service on the PVHCD Board has provided me with firsthand experience navigating the intricacies of public agency governance, ensuring sound fiscal accountability, fostering collaborative solutions, and advocating for essential services that impact thousands of lives on the Central Coast. Given LAFCO's role in shaping the future of local government services, I believe it is vital for the PVHCD to contribute its perspective, ensuring that the voices of health care providers are heard and considered during a time of significant strain on the health care system.

Beyond my public service, my professional background has equipped me with the skills and experience necessary to serve on the LAFCO Board effectively. I currently serve as the Marketing and Communications Manager for Community Bridges, a leading human services nonprofit that provides vital services to vulnerable populations across Santa Cruz, Monterey and San Benito counties. In this role, I have honed my abilities to communicate effectively, build consensus, and engage stakeholders.

Prior to my current position, I spent more than a decade as a journalist, including roles as Managing Editor of *The Pajaronian* (4 years, 2018–2022), News Editor of *Good Times* (2 years, 2020–2022), and Managing Editor of the *Press Banner* (2 years, 2020–2022). These positions have given me a strong foundation in analyzing complex issues, understanding diverse perspectives, and ensuring transparency in decision-making.

If appointed to the LAFCO Board, I will bring a fresh perspective rooted in health care equity, public service, and community advocacy. I am committed to ensuring that the PVHCD's mission to safeguard access to essential health care services is integrated into the broader regional planning and policy discussions that LAFCO oversees.

Thank you for considering my application. I would be honored to serve on the LAFCO Board and to contribute to its vital mission. Please feel free to contact me if you have any questions or require additional information.

Sincerely,

Tony Nunez
PVHCD, Board President
